Mr. Wright of Dorchester, submitted the

following preamble and resolutions: By the House of Delegates,

March 4th. 1833. The Legislature of the state of Delaware

having represented to this general assembly, that in the opinion of the legislature of the state of Delaware, it would greatly promote the interest, comfort, and prosperity of the inhabitants of the Peninsula, formed by the waters of the Chesapeake and Delaware Bays,

the people of the eastern shore of Maryland, and those of Delaware, should be united under one government, and that the region of der one government, and that the region of country inhabited by them respectively, should be denominated the state of Delaware. And be denominated the state of Delaware is authorised,

Determined in the postpone said order, indefinitely.

Mr. Holmes moved to postpone said order, indefinitely.

Determined in the negative. in case these views of the state of Delaware should meet the approbation of the legislature of the state of Maryland, to appoint three commissioners on the part of the state of Delaware, to meet such as may be appoint ed on the part of the state of Marylan

the United States, - therefore,
Be it resolved by the general assembly of Maryland, That, holding the pursuit of hap-piness as the unalienable right of all men, and that political associations and governments are but means to gain that desirable end, we refer the overture made to this general assembly, by the legislature of the state of Delaware, to the candid and serious consideration of our fellow-citizens, in the consideration of our fellow-citizens, in the respective counties on the eastern shore of imports, thereby affording to the President the United States, power to support the dignaryland, who are immediately and most particularly interested in the proposition, inty of the nation, and the supremacy of the particularly interested in the first enterparticularly interested in the proposition. And we leave the subject to be first enter-tained by our fellow-citizens on the castern shore, in a general convention, to be held a mong themselves, or in such other way as to

by any proper authority from the counties on tive.

The question was then put on the amendwish and pleasure of the people in those several counties, that commissioners should be appointed on the part of the state of Maryland to meet those to be appointed by the state of Delaware, in order to adjust preliminaries and details, that all may the better understand Determine the precise terms of the proposed change, before any final decision is made, that the go nor, by and with the advice and consent of the council, is hereby authorised and empowered to appoint three commissioners from the castern shore of Maryland, for that purpose, as soon after the notification as may be—and the said commissioners are directed to make full report to the governor, to be by him laid before the general assembly of Maryland, at the

earliest period after its reception.

Resolved, That the governor of this state
be requested to focusard a copy of these resolations to the governor of the state of Dela-ware, with a solicitation to present them to the legislature of that state.

Which was read. Mr. Jones moved to refer said preamble and esolutions, and the resolutions of the state of Delaware, in relation to the union of the eastern shore counties of this state with the said state of Delaware, to a select committee, to be composed of une member from each of the eastern shore counties.

Mr. Merrick moved to amend the motion of Mr. Jones, by striking out, reastern shore counties, and inserting counties of the state,' Mr. Nicols moved to lay the motion and amendment on the table,
